Applicant's signature:

Name and surname of applicant:

Place and date:

For any inquiries please contact us at ayudas-investigacion@bbva.es

PERSONAL DATA PROCESSING TERMS

Pursuant to the provisions of Regulation (EU) 2016/679 of April 27 on the protection of natural persons with regard to the processing of personal data (hereinafter, the "Regulation") and its implementing regulations, the parties hereby state that the personal data contained in this form or in the documents previously or subsequently prepared shall be used exclusively for the purposes of the reciprocal relations between the parties, shall not be transferred and shall be retained for the duration of the contractual relationship.

Fundación BBVA and Hospital Clínic de Barcelona undertake to comply in full with their data protection obligations under the said Regulation in regard to all matters arising from this form.

Who is responsible for processing your personal data?

Fundación BBVA with its registered address at Plaza de San Nicolás 4, 48005, Bilbao, Spain, email: ayudas-investigacion@bbva.es.
Hospital Clínic de Barcelona with its registered address at Calle Villarroel 170, 08036, Barcelona, Spain, email: proteccion@clinic.cat.

What data do we process and what will your data be used for?

Fundación BBVA and Hospital Clínic de Barcelona will process the personal data provided by applicants in submissions under this call and the attached documentation.

Their purpose in doing so is to facilitate administration of the award call.

Fundación BBVA and Hospital Clínic de Barcelona will also use your contact details to send you communications that keep you informed of the activities they undertake, in order to promote and publicize them. You may at any time object to or order the discontinuation of these communications, without explanation, by sending an email to the following email addresses: ayudas-investigacion@bbva.es and proteccion@clinic.cat.

How long will we store your data for?

The information provided to facilitate the administration of the call will be kept for a maximum of 15 years as required by law. It will then be erased by blocking during the applicable legal prescription periods, on expiry of which we will destroy your data. Regarding the data required to keep you informed of our activities (name and surname, postal and email address and telephone no.), they will undergo processing until such time as the applicants exercise their rights of objection, erasure or restriction of processing, as the case may be.

Who will we share your data with?

Both parties undertake not to pass your data on to third parties.

What rights do you have on providing us with your personal data?

- You may consult the personal data held in the files of Fundación BBVA and Hospital Clínic de Barcelona (right of access)
- Request the rectification of your personal data (right to rectification)
- Request that your personal data not be processed (right to object)
- Request the deletion of your personal data (right to erasure)
- Limit the processing of your personal data in the cases envisaged (restriction of processing)
- Receive the personal data you have provided, in electronic format, and have the right to transmit those data to another entity (right of portability)

You may exercise the above rights by writing to Fundación BBVA (attaching proof of identity) at the following address: ayudas-investigacion@bbva.es. And by writing to Hospital Clínic de Barcelona at the following address: proteccion@clinic.cat

For more information, read the "Personal Data Protection Policy" of Fundación BBVA and Hospital Clínic de Barcelona, available through the links below:
