

Information on the Protection of Personal Data

All sorts of information that makes your identity determined or determinable in accordance with the Law no. 6698 for the “Protection of Personal Data” (“KVKK”) will be processed by Garanti Kültür A.Ş. (hereinafter shall briefly be referred to as “Salt”) with the capacity of “Data Controller” within the following scope. The Data Controller that you may lodge your application(s) thereto is Salt within the framework of the provisions of the Law for the Protection of Personal Data.

The procedure related to the “Processing of Your Personal Data” refers to all sorts of procedures effectuated on the data, such as obtainment, recording, storage, maintenance, updating, rearrangement, disclosure, classification, prevention of their use, and means of any transaction carried out on data, such as sharing or transferring to third parties permitted by the legislation.

Objective for the Processing of Personal Data

- To present the products and services of Salt; and to introduce its activities and programs;
- To make up-to-date information on personal contact information for Salt;
- To fulfill relevant information storage, reporting, and informing obligations, stipulated/envisaged by the applicable legislation and competent authorities within the context of services and facilities provided in the digital media;
- To be able to record images via a camera of Salt’s Galata and Beyoğlu buildings in Istanbul and the Ankara Office due to security applications;
- To plan institutional sustainability, institutional management, strategic planning, and data security processes, to inspect and put the same into practice;
- To fulfill all administrative and legal obligations on a full basis on these subject matters.

Third Parties that Your Personal Data are shared with

- Any persons and establishments permitted at the applicable legislation;
- Shareholders and affiliates of Salt (for instance: T. Garanti Bankası A.Ş.);
- Any direct or indirect domestic/external subsidiaries;
- Any establishments, including BBVA Foundation, where Salt receives service, collaborates, or becomes a program partner to conduct its activities.

Method of Collection of Personal Data

Your personal data may be collected orally, in writing, or electronically from the venues where Salt's activities are conducted and locations where the programs are implemented.

Your Rights within the Scope of the Law for the Protection of Personal Data

You can apply to the Salt and May;

- Learn whether your personal data are processed, the objective of their processing, and whether they are used in accordance with such objective, and if processed, request information on the subject matter hereunder;
- Learn about any third parties, with whom your personal data are shared in the domestic field and abroad in accordance with the applicable Law;
- Ask for due correction in the event that you may think that your information (data) is processed insufficiently or erroneously;

- Ask for the write-off or deletion of the same within the framework of the terms and conditions envisaged in Article 7 of the said Law;
- Ask for the notification of your requests, indicated in subparagraphs nos. (c) and (d), to related third parties that your information is transmitted thereto and require them to realize the same procedures;
- Object to the occurrence of any conclusion in your disfavor as a result of analysis by automated systems, and in case you think that they are entered or used contrary to the applicable law and you incur any loss for this reason, then you can ask for the indemnification of the loss in question.

If the application you made for these objectives has brought forth an additional cost, then it may be necessary for you to pay the fee at the tariff due to be determined by the Board for the Protection of Personal Data. Your claims and requests at your application will be finalized within the shortest possible period depending on the nature of such claim or request, and in any case, within a maximum period of 30 (thirty) days. You can transmit your applications in writing to Salt to benefit from and take advantage of your rights within the scope of the applicable Law and visit [the website of the Personal Data Protection Authority](#) to get detailed information.
